

FIRST FRIDAY AT THE CCAA

SEPTEMBER 3, 2010

Can you *feel* the softness of a lupine in the Spring, the crisp hardness of a rock outcrop, the turning leaf in the blowing grass?...All with your eyes?

Learn to explore the wonderful textures of Nature with your eyes then re-create these texture with watercolor on First Friday, September 3, at the CCAA in Calumet. There will be six stations for you to try salt, spray, scraping, dry brush, sponge and splatter. These become your references and a starting point for continued exploration wherever and whatever you paint. Then, practice your new techniques on a large painting as part of the group. Become part of History...anyway, a bit part.

Bob Dawson and helpers will assist as the evening, starting at 6:30, grows intense until 8:30.

First Friday CCAA demonstrations are an opportunity to discover a variety of arts and fine craft techniques from some of the area's most talented artists. The CCAA Gallery is located at 112 Fifth Street in Calumet.

Summer Gallery hours are Wednesday, Thursday, Friday, Saturday 11 am to 4 pm. First Fridays, the Gallery is open from 11 am to 8:30 pm. For more information about the CCAA call 906-337-1252 or visit our web site at ccaartists.org
